Statement of intent

Anstey First School understands the benefits of using social media; however, if misused, the school community can be negatively affected, such as by damaging the school's reputation.  - Sending abusive messages to members of staff
- 3.2. The school appreciates the simplicity and ease of instant messaging online; keeping in contact outside of school can benefit the school community by keeping the school community closer.

- 3.4. Anstey First School can request a meeting with parents if any misconduct, such as sending abusive messages or posting defamatory statuses, occurs online.
- 3.5. The school's complaints procedure will be followed as normal if any members of the parent teacher association or governing body cause any discrepancies through their conduct whilst using online messaging.

- 3.7. The headteacher can request that 'group chats' are closed down should any problems continue between parents or parental bodies.
